PROJECT

RESTAURANT | GHRELIN GOURMET RESTAURANT

LOCATION | AARHUS, DENMARK

PHOTOGRAPHER | JESPER RAIS

FEATURED PRODUCTS | CUSTOM-MADE NINOTCHKA 195, DIVAN 2 700 & GOTHIC WALL

At the waterfront of Aarhus, rows of custom-made NINOTCHKA pendants form a wavy ceiling inside the newly opened gourmet restaurant, Ghrelin. The smoked wood and brass detailing match the watery green colour that fills the room. Along with the green NINOTCHKA pendants, a large DIVAN 2 700 in brass creates an intimate atmosphere above a wide dining table while GOTHIC wall lamps elegantly illuminate the staircase.

PROJECT

ARCHITECTS | **SCANLUX**

LOCATION | **HADSTEN, DENMARK**

FEATURED PRODUCTS | **PAN WALL 50, VERONA 400 & PEANUT 250**

Inside a brand new exhibition house by Scanlux, you will find a wide range of lighting designs by LYFA. When entering the front door, three PEANUT pendants lead the way to the open kitchen and living room. Across the home, pendants, wall and table lamps ensure a pleasant atmosphere and illuminates the various surfaces and colours on the walls.

LYFA

PROJECT

LOCATION | AARHUS, DENMARK

FEATURED PRODUCTS | PEANUT 250, PEANUT 400 & NINOTCHKA 275

The PEANUT and NINOTCHKA pendants illuminates a newly built house outside of Aarhus, Denmark. Above the staircase, a large PEANUT pendant emits a pleasant and soft light. In the kitchen, a direct downlight from the NINOTCHKA pendants ensures a efficient light when prepping food at the counter.

LYFA

PROJECT

CLIENT | **SELECTED HOMME/FEMME**

LOCATION | **AARHUS, DENMARK**

FEATURED PRODUCTS | **VERONA 720**

Inside the SELECTED Homme/Femme store, the VERONA 720 takes the centre stage in the large window display. The corner at Ryesgade is directed at the main shopping street gaining much attention and constant traffic. At night, the beautiful pendant shines light on the lounge setting below and with its indirect shade construction, the VERONA pendant beautifully self-illuminates. The impressive size makes it ideal for elegantly lighting up a large space while ensuring a pleasant lightscape for its surroundings.

LYFA

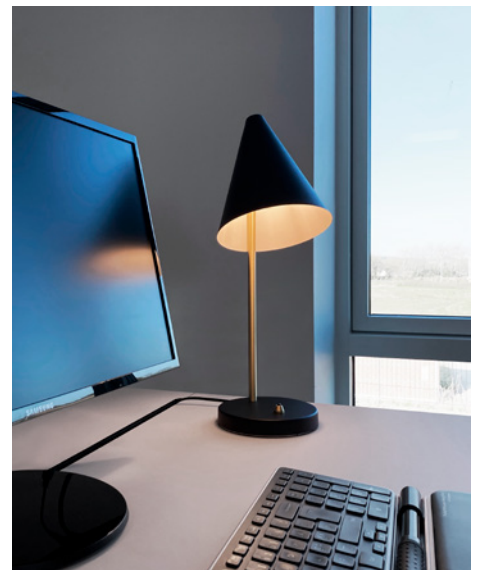

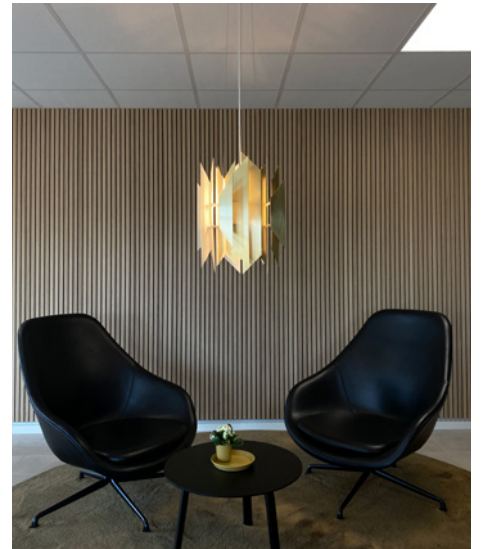

PROJECT

ARCHITECTS | **HOLMRIS B8**

LOCATION | **AARHUS, DENMARK**

FEATURED PRODUCTS | **DIVAN 2 700, DIVAN 2 400, MOSAIK 250, MOSAIK TABLE & PEANUT 250**

At the new headquarter of an Aarhus-based company, the PEANUT and MOSAIK pendants make sure to illuminate the meeting rooms. Across the large office workspace, the MOSAIK table lamps provide a pleasant light at each desk. The open lounge area in the canteen is highlighted with the DIVAN 2 - creating a lavish area with the wooden walls, dark-coloured rugs, black leather and solid brass.

LYFA

PROJECT

ARCHITECTS | **HOLMRIS B8**

LOCATION | **AARHUS, DENMARK**

FEATURED PRODUCTS | **DIVAN 2 700, DIVAN 2 400, MOSAIK 250, MOSAIK TABLE & PEANUT 250**

High above the entrance at the new headquarter of an Aarhus-based company, the DIVAN 2 pendant shines bright. A clear view of its unique construction and flow of light can be seen when standing right under the large pendant. From the first floor, you get to experience the pendant even closer and how the light display changes depending on the perspective of the viewer.
